BOND OF SISTERS INSPIRING

WATERLOO resident Claire Gibson wanted to do more than donate money to charities and felt inspired to join the SISTER2sister program.

The Life Changing Experiences Foundation runs the 12-month mentoring program for vulnerable teenage girls, providing professional and positive female role models.

"The program is great because it's designed for professional women of similar backgrounds to volunteer their time," Ms Gibson said.

Ms Gibson first met Leasha at the Butterfly Bootcamp, where all the Big and Little Sisters are matched up.

"Over the year I could see my Little Sister maturing and starting her

transitional journey from being a teenager to becoming an adult. This was the most rewarding feeling."

Life Changing Experiences Foundation will hold their annual Big Sister info evening on March 1. Visit lifechangingexperiences.org
