Cantor gives back via wellness event

➤ BONDI Beach resident Judith Cantor (pictured) was inspired by her own health challenges to give back to the community.

After first surviving a car accident, then suffering through a crippling bout of pneumonia, she founded the wellness event The Greatest Gift.

The inaugural event at Mosman Art Gallery and Community Centre on Saturday will focus on health, wellbeing and positive self-image.

Speakers include Miranda Kerr's mother Therese Kerr, author and TV personality Gretel Killeen and health coach Melissa Ambrosini.

Guests can also take part in a silent auction for charity partner Life Changing Experiences Foundation, a not-for-profit organisation supporting teenage girls at risk. Visit thegreatestgift.com.au.
